If I do not know you, how can I refer you? Let's do a one 2 one!

Key take -a-ways that helped me with AI.

It is only as good as the person asking for help!

Teach AI who you are and how you communicate, and it will communicate like YOU!

Be perfect with Grammar, format, and spelling with everything you do.

It comes up with creative ideas and content.

Use for: Resumes, new business ideas, writing letters, email, drip campaign, agendas for business, poems,

Video scripts, power point presentations.... and more.

Here are a few apps that work well with GPT Chat.

<http://vidyo.ai> Creates reels for you? **Charge**

<https://designer.microsoft.com> High quality social media graphics **FREE**

<http://synthesia.io> Videos, Voiceovers, writes in 120 languages **\$10.00 a month**

<http://tyitonai.com> Headshot generation and photo editing? **Charge**

<http://bigvu.com> Teleprompter & caption (you can upload your AI script into this app. **\$18.99 a month**

***** I am not promoting these just passing them along for you to checkout.**

Always open of a one 2 one or a zoom meeting to help you. Just call me cell above. Thank you. Natalie
